

Dear ACA and Little Sprouts Families,

The Shop With Scrip program is an exciting opportunity for our families to support our school through their day-to-day spending. Shop with Scrips is a retail gift card fundraising program with over 700 participating retailers. Through this program, a family purchases a gift card for a retailer they choose through the Shop with Scrip program, and a percentage of the face value of the gift card is donated to the school.

An example: You purchase a \$100 gift card through the program for Shutterfly to use to buy your Christmas cards. Shutterfly's rebate amount is 9%. You pay \$100 for your gift card, and in return, receive a \$100 gift card to Shutterfly to use, so you get your full amount that you have purchased on your gift card, but Shutterfly will donate 9% or \$9, to ACA.

Shop with Scrip is a great way to help the school raise funds, and if every family participates, the earnings can grow quickly. This year, to increase the utilization of this program, we have created an order form you can use to order gift cards. By ordering them from this form, you are authorizing ACA to deduct the order total from your FACTS account. You can also setup your own account online and order them directly from the program, but they will require you to pay them through your checking account, and the gift cards will still be delivered to the school for you to pick up.

Shop with Scrip orders are placed every Tuesday at noon, so if you want to place an order, you can do so through the school or through your own account. Gift cards are delivered to the school that Thursday and will be available for you to pick up that afternoon. When filling out the form, please indicate if you would prefer an email or a text to let you know when your order is ready.

ScripNow is an e-gift card that is emailed to you when the order is approved. It is an email code that you can use like any gift card or payment method for that retailer.

If you plan to use the order form we provide, please circle the gift card amount or the S if you want the ScripNow, write the quantity of gift cards you want and then the total for the order from that retailer. Please also visit the website to see the entire list of retailers available. We tried to compile a smaller (less overwhelming) list of the retailers that we thought families would utilize most, or that provide a high return to the school, but there are hundreds more to choose from, which you can write in on your order form.

We realized that this program takes some planning ahead by placing orders and then carrying around gift cards to use for your purchases. Know that we are grateful for your partnership in helping us raise the funds necessary to ensure ACA is the institution God has called it to be.

Sincerely,

Alliance Christian Academy
